

## Minutes

12/17/07 Auburn Booster Club Meeting

Members present: Tracy Stevenson-Olson, Dallas Turner, Leslie Montgomery, Nancy Baliga, Lou Robertson-Pilcher, Karen Olson, Marilyn White, Karen Schiller, Maureen Hargrove, Ronda Gorman, Stephanie Whittington, Sandy Schwartz, and Bill Lavery

Athletic Director report: Winter sports are rolling. The boys basketball game against Hononegah was rescheduled to this Sat. Bill has not purchased a new camcorder yet. He has not decided which brand/model to buy. The concession stand is not open during freshman games. The librarian might be interested in running this. Coach Greenfield is the supervisor for the weight room. Bill put in for differentials for this. We have \$2000 left in the weight room account. Bill will check on getting storage units for the students to use for their backpacks during workouts. Highschoolsports.net is a way to pull up sports schedules. Nancy will put a link to this on the Booster Club website.

Minutes: Were approved with the following correction “\$3,000, \$4,000 on softball diamond.”

Treasurer report: January and May are the meetings left this year where we accept financial requests. We will need approximately \$1000 for the sports banquet. We will need to pay groups for Market Day. We will also need to pay \$1500 to groups for concessions. We need to keep \$7000-\$8000 at the end of the year, for the start of next year. Maureen suggested that we put \$8000 into a 7 month CD. Motion approved. Marilyn will take care of this. Laura will present a forecast for the rest of the year, at the next meeting.

Communication: Dallas Turner is in charge of the website. He has 3 students interested in helping. Dr. Jancek bought Dreamweaver for the website. Nancy uses the same program for the Booster Club website. She volunteered to help Dallas if he has questions. Daily announcements are posted by the front door of the freshman campus. Laura suggested that a TA type up the daily announcements at the Auburn campus.

Website: Nancy is having a hard time paying for the domain name by check. Sandy has an alternative for the company that handles the domain name.

Old Business: There are no button sales for winter sports. The Peppermint Ball will be rescheduled for Jan. due to low ticket sales and bad weather. There seems to be better attendance when dances are not after a game. Laura will pick a date for another dance, with Sandy's help.

Concessions: We need to revisit rules. We will have a subcommittee review rules and present findings at the Feb. meeting.

Fundraisers: Laura sent an email to Vic regarding Mud Volleyball. She has not heard back from him yet.

Meeting adjourned at 7:30.

The next meeting is Jan. 28 in the teachers' lounge at the Auburn campus.
